

IP ASSIGNMENT DECLARATION

Aurelian Manufacturing AS | Corrected Version

Company: Aurelian Manufacturing AS, org.nr. 835 679 632

Date: February __, 2026

Location: Moss Municipality

Replaces: IP Assignment Declaration dated February 11, 2026 (corrected for clerical errors in Party identification)

We, the undersigned owners, hereby confirm:

1. FULL IP ASSIGNMENT

ALL intellectual property developed PRIOR TO OR DURING the startup of Aurelian Manufacturing AS exclusively belongs to the Company, including but not limited to:

- ▶ Patents, patent applications, inventions
- ▶ Know-how, CNC programs, production processes
- ▶ Drawings, CAD files, technical specifications
- ▶ Customer agreements, supplier agreements, trade secrets
- ▶ Trademarks, domains, websites
- ▶ Software, algorithms, databases

2. PRE-EXISTING IP

No Party holds private IP competing with the Company's business. All relevant pre-existing IP has been assigned to the Company.

3. ADVISORS AND CONTRACTORS

All consultant/advisor agreements contain IP assignment clauses in favor of the Company.

4. FUTURE IP

All future IP developed during engagement belongs to the Company (cf. Norwegian Working Environment Act § 14).

5. WARRANTY AND LIABILITY

The Parties warrant the Company's clean and undisputed IP ownership. Breach triggers immediate bad leaver status (cf. Shareholders' Agreement § 8.2(f)) and liquidated damages.

i This document replaces the original IP Assignment Declaration dated 11.02.2026. The sole correction is the identification of STAH Invest AS (org.nr. corrected from 37 920 368 to 937 920 368) and the name of its representative (corrected from Henri S. Østrem to Henrik S. Strøm). All substantive provisions are identical.
